Cap Peak Mount Bracket - Ball Cap

Hard Hat Adapters

High performance faceshield bracket for use with protective caps, cap peak mount bracket (dielectric), plastic, fits most caps.

Part # FM-70E (614602441)

7" Crown Ratchet Headband

7" crown protector provides an extra margin of protection when harsh working conditions require it. Molded from NORYL, the material used in Fibre-Metal welding helmets, model F-500 crown protectors are stronger, more durable and more heat resistant than smaller faceshields made from ordinary material. Exclusive Channel Grip System mounts wide, wraparound windows and locks them in place.
